\_\_\_ Page(s)**NOTIFICATION OF LOSS OF SMALL ENTITY STATUS**

The Applicant/Assignee in the above-identified patent established small entity status in good faith when the application was filed. The attorneys of record at the law firm of Sand & Sebolt have recently learned that the Applicant/Assignee became a large entity on November 1, 2007.

The undersigned advises that no fees have been paid to the Patent Office since the date Applicant/Assignee became a large entity.

Respectfully submitted at Canton, Ohio this 21<sup>ST</sup> day of MARCH,  
2008.
